| University Student Services | <ul style="list-style-type: none"> • 1 nomination from a non-exempt individual |
| Whiting School of Engineering | <ul style="list-style-type: none"> • 1 nomination from a non-exempt individual |

** No nominations this period for SAIS & some Academic and Business Centers*

When the SAC began early 2024, some members were randomly selected to serve one-year terms, allowing new representatives to join the council every year and creating staggered membership terms. Moving forward, all membership terms last two years. Members may serve up to two terms but must nominate themselves and be elected for each term.

Overall SAC representation, the number of seats available for each school, division, or organization, is determined by the number of employees in that unit, with a minimum of two seats for each school or division across job levels.
